1.

THIS WEEK IN GRIZZLY COUNTRY....

We are welcoming our 4th-8th grade students to school on Tuesday the 20th to begin the 2024-2025 school year! This is a 1:30pm dismissal day. If you did not attend Back to School night, please refer to the class supply lists located on the school website to ensure that your child has what they need to begin the school year.

IMPORTANT INFO

2.

We do NOT have a daily bus driver this year. While the search actively continues, we will have a driver for our field trips and activity days. Because of this, we will be adjusting morning supervision to begin at 7:35 am. This means that the doors will be unlocked for students to be able to enter school and be supervised.

Because of the kitchen renovation, our kitchen is not operational. Your child will still have a hot lunch option which is being supplied by Livingston Public Schools. We are NOT able to serve breakfast at this time. I will let you know when that changes.

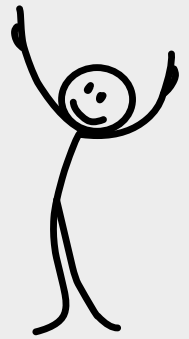

3.

UPCOMING EVENTS

PK, K, and 1st grade students will complete the ELP (Early Literacy Program) screener during the next 2 weeks. Look out for an email from Doodle poll to reserve your time for your student conference.

Kid's Club starts Aug. 26th! Be looking for the signup sheet in your child's Back to School registration pack. Spaces are limited to 30 during normal weeks so please make sure to sent the completed form back as soon as possible.

There will be no school on Sept. 2, Labor Day. Our PK-3rd grade students will join us Tuesday, Sept. 3 for a full day.

4.

UPCOMING ACTIVITY DAY

Our first activity day for 4th-8th grade students will be September 13. The agenda for this day will be shared out with families in the weekly parent email the Sunday before.

We will work to provide a variety of extended learning opportunities for our 4th-8th grade students throughout this school year.

Thank you for your support as we embark of these adventures!
