## THIS WEEK IN GRIZZLY COUNTRY...

This week is a short 3 day week, Monday-Wednesday. There is no school for students on Thursday and Friday. There are no events so we will focus on teaching and learning.

Our new kitchen is operational and we will begin serving Grizzly lunches again this week! Breakfast will begin the week of Oct. 21.

Thank you to the amazing volunteers who worked tirelessly to make the move into the new space this last week and weekend!

## IMPORTANT INFO

We will be having our first Kid's Club Camp on Wednesday, October 23 and Thursday, October 24. All students are welcome to join us for these activity days with a signed permission form that will come home on Wednesday, October 16. The camp is Guided Wild Forest School. Make sure to check your child's take home folder this week for more information about Guided Wild Forest School.

We have a need to support within our school community by creating a meal train for the next few weeks. If you are able to support the meal train by making and donating a meal for a family, please reach out to Mrs. Cahoon or myself. Thank you for any and all support in this!

## ACTIVITY DAY

The had a great day learning about bird migration, Guessing different types of animals using various methods, and identifying different types of bears. The teachers then took students on a hike along Mill Creek.

The next activity day will be October 25. The students will be exploring film making and visiting a local film set.
